

## CURRICULUM VITAE

**Name:** Siribha Changsirikulchai, M.D.

**Position:** Associate Professor

**Degree:** M.D. (Gold medal award);  
Thai Board of Internal Medicine F.R.C.P.(T);  
Thai Board of Nephrology

**Office Address:** Nephrology division, Department of Medicine  
Faculty of Medicine, Srinakharinwirot University  
Sukhumvit 23 Rd, Bangkok, Thailand

### **Administrative Appointment:**

- |                |   |
|----------------|---|
| 2016 - present | Deputy Director of Medicine at HRH Princess Maha Chakri Sirindhorn Medical Center (MSMC), Faculty of Medicine, Srinakharinwirot University                                |
| 2012- present  | Head of Division of Nephrology, Department of Medicine, Faculty of Medicine, Srinakharinwirot University  |
| 2012- present  | Head of CAPD-CKD clinic at HRH Princess Maha Chakri Sirindhorn Medical Center   |
| 2014 - 2016    | Director of Project Regional RRT Technology and Training Center at HRH Princess Maha Chakri Sirindhorn Medical Center (Project supported by the National Health Security) |
| 2011- 2014     | Director of Project PD Service and Training Center at HRH Princess Maha Chakri Sirindhorn Medical Center (Project supported by the National Health Security)              |
| 2009 - 2011    | Deputy Director of Education and Research Development at Panyananthaphikkhu Chonprathan Medical Center  |
| 2008 - present | Director of CAPD project of the National Health Security in the HRH Princess Maha Chakri Sirindhorn Medical Center  |
| 2003- 2009     | Director of Srinakharinwirot Outpatient Clinic  |
| 2012-2013      | Chief of Editor in Journal of Medicine and Health Sciences  |

### **Academic Appointment:**

- |               |   |
|---------------|---|
| 2005- present | Associate Professor of Medicine, Faculty of Medicine, |
|---------------|---|

## Srinakharinwirot University

2002- 2013

Head of the curriculum in medicine of the 5<sup>th</sup> year  
medical student

### **Membership:**

- Royal College of Physician of Thailand.
- Medical Association of Thailand.
- The Nephrology Society of Thailand
- The Transplantation Society of Thailand
- The International Society of Nephrology
- The International Society of Peritoneal Dialysis
- The American Society of Nephrology

### **Awards:**

- The ISN Fellowship in the year 2000-2002
- The 4<sup>th</sup> Prize of ISN Fellow's Poster Award, WCN 2007, Rio de Janeiro, Brazil, April 21-25, 2007.
- Poster Awards at The Annual Meeting of The Nephrology Society of Thailand in year 2009, 2010
- World Kidney Day Award for Chonprathan hospital from The Nephrology Society of Thailand in year 2010

### **Other Societal Contribution related to Renal Health**

- Set up conference and promote activity for the World Kidney Day in the HRH Princess Mahachakri Sirindhorn Medical Center and society in the year 2007 and 2008
- Member of the Scientific Committee of The Nephrology Society of Thailand 2004-2006
- Member of the CKD Prevention Committee of The Nephrology Society of Thailand 2006-2008
- Secretary of the Scientific Committee of The Nephrology Society of Thailand 2006-2008, 2008-2010
- Member of the of the CAPD Committee of The Nephrology Society of Thailand 2006-2008, 2008-2010
- Secretary of the Research Committee of The Nephrology Society of Thailand 2008-2010
- Secretary of the Research Committee of The Royal College of Physician of Thailand 2008-2010
- Lecturer of Academic meeting of The Nephrology Society of Thailand and of The Royal College of Physician of Thailand
- Member of the Scientific Committee of The Nephrology Society of Thailand 2010-2012, 2012-2014
- Secretary of the Research Committee of The Nephrology Society of Thailand 2010-2012
- Member of the Scientific Committee of The 5<sup>th</sup> Asian Meeting of ISPD 2011

- Committee and examiner of Thai Nephrology Board Examination of The Nephrology Society of Thailand 2013- present
- Committee and examiner of Hemodialysis Examination for Nurse of The Nephrology Society of Thailand 2011- present
- Surveyor for quality assurance of hemodialysis unit of The Nephrology Society of Thailand 2009- present
- Secretary of the CME committee of The Royal College of Physician of Thailand 2012-2014, 2014-2016
- Member of Revalidate board committee of The Royal College of Physician of Thailand 2013-2014, 2014-2016
- Member of the working group for selection kidney Medicine of The Food and Drug Administration Thailand 2010-2013, 2014- 2016
- Member of the committee for administration in renal replacement therapy of Nakhonnayok province 2012- present
- Head of committee for developing service plan in health region 4 year 2013-2014
- Member of the Research Committee of The Nephrology Society of Thailand 2012-2014, 2014-2016

### **Presentations**

1. Siribha Changsirikulchai, Pathra Kurathong, Somneuk Jesdapatarakul. Severe acute renal failure in paracetamol overdose in the absence of fulminant hepatic failure  
Presented at The Royal College of Physician of Thailand meeting year 2000
2. Sigarn Chamlumjeak, Phirudee Boonchoo1, Kunnika Pudtha, Chantanaporn Tanjai1, Naowarat Srirat and Siribha Changsirikulchai. Comparative results in the assessment of CAPD patients by questionnaire and home visit program.  
Presented at The Annual Meeting of The Nephrology Society of Thailand year 2009
3. Siribha Changsirikulchai. Report of the 4 years' activities to celebrate World Kidney Day at the HRH Princess Maha Chakri Sirindhorn Medical Center  
Presented at The Annual Meeting of The Nephrology Society of Thailand year 2009
4. Siribha Changsirikulchai, David Myerson, Karen D. Englehart, Katherine A. Guthrie, Wendy Leisenring, Paul J. Martin, Charles E. Alpers. Renal thrombosis in bone marrow transplantation: clinico-pathological correlation  
Presented at ASN/ISN World Congress of Nephrology 2001
5. S Changsirikulchai, P Chalermpanyakorn, P Karnsombut, S Sriphojannart, V Sumethkul. The effect of cyclosporine dose reduction on the outcome of patients with chronic allograft nephropathy and intragraft connective tissue growth factor (CTGF) expression: a preliminary study.  
Presented at The 3<sup>rd</sup> International Congress On Immunosuppression 2004
6. Siribha Changsirikulchai, Panas Chalermpanyakorn, and Vasant Sumethkul. Expression of connective tissue growth factor (CTGF) in human chronic allograft nephropathy (CAN)  
Presented at The 12th Congress of the European Society for Organ Transplantation 2005 (ESOT), Geneva, Switzerland

7. Chagriya Kitiyakara, Vuddhidej Ophascharoensuk, Atiporn Ingsathit, Siribha Changsirikulchai, Arunchai Sangpanich, and Pleumjit Tankee. Treatment of lupus nephritis and primary glomerulonephritis with enteric-coated mycophenolate sodium (EC-MPS)

Presented at ASN's 39th Annual Renal Week Meeting 2006, San Diego, USA

8. V Sumethkul, S Changsirikulchai, T Lothuvachai, and P Chalermpanyakorn. Sirolimus attenuate the rate of progression of early chronic allograft nephropathy.

Presented at The World Transplant Congress 2006, Boston, USA

9. S Changsirikulchai, C Kitiyakara, P Chalermpanyakorn, P Srimawong, and V Sumethkul. Impact of cyclosporine reduction and sirolimus or mycophenolate mofetil addition on graft function and transforming growth factor-beta1 quantitative mRNA expression in human chronic allograft nephropathy. (Oral presentation and poster)

Presented at The World Congress of Nephrology 2007, Rio de Janeiro, Brazil

10. Vasant Sumethkul, Pichet Rongkapit, Siribha Changsirikulchai, and Panas Chalermpanyakorn. The pathological spectrum and long term outcomes of patients with renal limited lupus and systemic lupus erythematosus (SLE) with renal involvement: a comparative analysis.

Presented at XLIV ERA-EDTA Congress, Barcelona, Spain

11. Prapaipit Srimawong, Siribha Changsirikulchai, Aunchalee Tantiwetruangdet, Koset Pinradap, Panas Chalermpanyakorn, Vasant Sumethkul, and Chagriya Kitiyakara. Internal control genes for gene expression analysis in chronic allograft nephropathy.

Presented at The 10<sup>th</sup> Congress of Asian Society of Transplantation, Pattaya, Thailand

12. Siribha Changsirikulchai, Suthee Rattanamongkolgul, Akaraphan Suravilas, Chatchai Kreepala, Suteetap Sukumalchantra and Dumnern Srinualta. Prevalence of chronic kidney disease: data from the six years of health check up program in Thai healthy population

Presented at The World Congress of Nephrology 2009, Milan, Italy

13. Siribha Changsirikulchai, Suthee Rattanamongkolgul, Nintita Sripaiboonkij, Akaraphan Suravilas, Suteetap Sukumalchantra and Dumnern Srinualta. Normal serum creatinine levels in Thai healthy populations

Presented at The 12<sup>th</sup> APCN 2010, Seoul, Korea

14. Siribha Changsirikulchai, Suthee Rattanamongkolgul, Nintita Sripaiboonkij, Akaraphan Suravilas, Dumnern Srinualta. Incidence and risk factors of chronic kidney disease stage 3 in Thai population: data from five years of health check up program.

Presented at The World Congress of Nephrology 2011, Vancouver, Canada

15. Siribha Changsirikulchai, Sigarn Chamlumjeak, Phirudee Boonchoo, Kunnika Pudtha, Chantanaporn Tanjai, Kodchaporn Tangchitsumran, Chalida Misid. Clinical outcome of eight years experience in PD service at a new university-based hospital

Presented at The 5<sup>th</sup> ACM-ISP Meeting 2011, Pattaya, Thailand

16. Siribha Changsirikulchai, Phirudee Boonchoo, Kunnika Pudtha. The immunization of influenza A (H1N1) vaccination in peritoneal dialysis patients

Presented at The 5<sup>th</sup> ACM-ISP Meeting 2011, Pattaya, Thailand

17. Siribha Changsirikulchai, Amraporn Ongarjitthichai, Sigarn Chamlumjeak, Phirudee Boonchoo, Kunnika Pudtha. The result of depressive screening and quality of life in peritoneal dialysis patients with different health care coverage

Presented at The 5<sup>th</sup> ACM-ISP Meeting 2011, Pattaya, Thailand

18. Dolrudee Songtish, Prinya Akranurakkul, Thawachai Tullavardhana, Siribha Changsirikulchai. Peritoneal dialysis catheter placement: 7 year results from MSMC

- Presented at The 5<sup>th</sup> ACM-ISPD Meeting 2011, Pattaya, Thailand  
19. Prinya Akranurakkul, Dolrudee Songtish, Thawachai Tullavardhana, Siribha Changsirikulchai. Revision of malfunctioning peritoneal dialysis catheter: technique and outcome
- Presented at The 5<sup>th</sup> ACM-ISPD Meeting 2011, Pattaya, Thailand  
20. Jirayut Janma, Sigarn Chamlumjeak, Phirudee Boonchoo, Kunnika Phudtha, Siribha Changsirikulchai. A Case Report of Peritonitis from *Aeromonas sobria* Associated with Flood Disaster in Thailand.
- Presented at The 14<sup>th</sup> Congress of ISPD 2012, Kualalumpur, Malaysia  
21. Siribha Changsirikulchai, Jirayut Janma, Kunnika Phudtha, Phirudee Boonchoo, Chantanaporn Tanjai, Kodchaporn Tangchitsumran, Sigarn Chamlumjeak. Root Cause Analysis to Evaluate Outcome and Risk Factors Associated with Peritonitis
- Presented at The 14<sup>th</sup> Congress of ISPD 2012, Kualalumpur, Malaysia  
22. Siribha Changsirikulchai, Surapol Ariyapitipan, Piyatida Cheungsaman, Dhavee Sirivongs. Survival Analysis of Peritoneal Dialysis Patients under PD First Policy of Thailand
- Presented at The 14<sup>th</sup> Congress of ISPD 2012, Kualalumpur, Malaysia  
23. Siribha Changsirikulchai, Sigarn Chamlumjeak, Phirudee Boonchoo, Chantanaporn Tanjai, Kodchaporn Tangchitsumran, Jirayut Janma. Impact of the flooding disaster in Thailand on peritoneal dialysis
- Presented at the ISN World Congress of Nephrology 2013, HongKong  
24. Jirayut Janma, Sigarn Chamlumjeak, Phirudee Boonchoo, Kunnika Phudtha, Siribha Changsirikulchai. Management and outcomes of hemodialysis during flood disaster: Experience from one referral hospital
- Presented at the ISN World Congress of Nephrology 2013, HongKong  
25. Thailand Glomerular Research Network: Bhumibol Adulyadej Hospital, HRH Princess Maha Chakri Sirindhorn Medical Center, Phramongkutklao Hospital, Rajavithi Hospital, Ramathibodi Hospital, Siriraj Hospital, Songklanagarind Hospital and Srinakarind Hospital. An analysis of 1,135 cases of kidney biopsy: One year data from Thailand Glomerular Research Network
- Presented at the ISN World Congress of Nephrology 2013, HongKong  
26. Phasuk Suttavat, Porntip Khemnuk, Srisurang Doungprasert, Jirayut Janma, Siribha Changsirikulchai. Home visit in PD patients performed by community-based nurses: Nakhonnayok model
- Presented at The 6<sup>th</sup> ISPD-APCM 2013, Taipei, Taiwan  
27. Jirayut Janma, Pawida Onnankun, Hariruk Yodying, Patcharasarn Linasmita, Siribha Changsirikulchai. Cryptococcal peritonitis in peritoneal dialysis patient: report a case
- Presented at The 6<sup>th</sup> ISPD-APCM 2013  
28. Jirayut Janma, Suwannee Sriprach, Tanapon Meedon, Siribha Changsirikulchai. Survival analysis of PD patients from PD centers in the National Health Security Office Region 4 (Saraburi) Thailand
- Presented at The 6<sup>th</sup> ISPD-APCM 2013, Taipei, Taiwan  
29. Dhavee Sirivongs, Piyatida Cheungsaman, Siribha Changsirikulchai, Adisorn Lumpaopong. Peritoneal dialysis first policy of Thailand brought about much higher penetration rate and good outcomes.
- Presented at The Kidney Week 2013, Atlanta, USA  
30. Dolrudee Songtish, Parinya Akranurakkul, Jirayut Janma, Siribha Changsirikulchai. Peritoneal dialysis catheter placement in previous abdominal operation

Presented at The 15<sup>th</sup> Congress of ISPD 2014, Madrid, Spain

31. Siribha Changsirikulchai, Jirayut Janma, Suwanee Sriprach, Tanapon Meeudon. Outcomes of PD-related peritonitis from PD Centers in the National Health Security Office Region 4 (Saraburi), Thailand

Presented at The 15<sup>th</sup> Congress of ISPD 2014, Madrid, Spain

32. Jirayut Janma, Siribha Changsirikulchai, Suwanee Sriprach, Tanapon Meeudon. Causative organisms and outcomes of exit site : Data from PD Centers in the National Health Security Office Region 4 (Saraburi), Thailand

Presented at The 15<sup>th</sup> Congress of ISPD 2014, Madrid, Spain

33. Jirayut Janma, Siribha Changsirikulchai. The Prevalence and associated factors of albuminuria in type 2 Diabetes with normal to high estimated glomerular filtration rate (eGFR).

Presented at The 23<sup>rd</sup> WCN 2015, Cape Town, South Africa

34. Siribha Changsirikulchai, Jirayut Janma. Perception of Health Care Professionals at primary care hospitals in communities about setting up CKD clinic.

Presented at The 23<sup>rd</sup> WCN 2015, Cape Town, South Africa

35. Jirayut Janma, Saichol Pensor, Onrujapat Boonrungrisirap, Siribha Changsirikulchai. The quality of care in process of Tenckhoff catheter implantation by medical percutaneous technique.

Presented at the 7th Asia Pacific Chapter Meeting of International Society for Peritoneal Dialysis (APCM-ISPD 2015), Daegu, Korea

36. Siribha Changsirikulchai, Jirayut Janma, Saichol Pensor, Onrujapat Boonrungrisirap. Quality of care in process of predialysis evaluation in peritoneal dialysis.

Presented at the 7th Asia Pacific Chapter Meeting of International Society for Peritoneal Dialysis (APCM-ISPD 2015), Daegu, Korea

37. Siribha Changsirikulchai, Jirayut Janma, Suwanee Sriprach, Kidkom Salelanont, Tanapon Meeudon. Satisfaction survey using the database of peritoneal dialysis in the excel (DPEX) program.

Presented at the 16th Congress of the International Society for Peritoneal Dialysis (ISPD 2016), Melbourne, Australia

38. Siribha Changsirikulchai, Jirayut Janma, Suwanee Sriprach, Kidkom Salelanont. The Report of Peritonitis related to Peritoneal Dialysis from 42 Centers in Thailand.

Presented at the 16th Congress of the International Society for Peritoneal Dialysis (ISPD 2016), Melbourne, Australia

39. Jirayut Janma, Suwanee Sriprach, Siribha Changsirikulchai. Causative organisms and factors associated with exit site infections: Data from 42 PD Centers in Thailand.

Presented at the 16th Congress of the International Society for Peritoneal Dialysis (ISPD 2016), Melbourne, Australia

40. Jirayut Janma, Ueamporn Lumboot, Phairach Phinphart, Paschana Chaisuwanarat, Jintana Chokchaimadol, Suwanee Sriprach, Siribha Changsirikulchai. The Community-based Network in Management of Chronic Kidney Disease: Pathumtani Model

Presented at the KSN 2016 (The 36<sup>th</sup> Annual Meeting of the Korean Society of Nephrology), Seoul, Korea, June 2 (Thu)-5 (Sun), 2016

41. Siribha Changsirikulchai on behalf of Thailand Glomerular Disease Collaborative Network: Bhumibol Adulyadej Hospital, HRH Princess Maha Chakri Sirindhorn Medical Center, Institute of Pathology, Phramongkutklao Hospital, Rajavithi Hospital, Ramathibodi Hospital, Siriraj Hospital, Songklanagarind Hospital and Srinakarind

Hospital. The Epidemiologic Study from On-line Glomerular Disease Registry in Thailand: A First Year Report

Presented at the KSN 2016 (The 36<sup>th</sup> Annual Meeting of the Korean Society of Nephrology), Seoul, Korea, June 2 (Thu)-5 (Sun), 2016

42. Paithoon Sonthon, Siribha Changsirikulchai, Cameron Hurst. The Impact of the ABC Clinical Targets on Progression of Chronic Kidney Disease in Thai Patients with Type 2 Diabetes Mellitus

Presented at the KSN 2016 (The 36<sup>th</sup> Annual Meeting of the Korean Society of Nephrology), Seoul, Korea, June 2 (Thu)-5 (Sun), 2016

43. Siribha Changsirikulchai, Worapon Aramrussameekul. The Effect of Home Rehabilitation Program on Muscle Strength in Patients with Peritoneal Dialysis Presented at the KSN 2016 (The 36<sup>th</sup> Annual Meeting of the Korean Society of Nephrology), Seoul, Korea, June 2 (Thu)-5 (Sun), 2016
