

Curriculum Vitae

Patcharasarn Linasmita, M.D.

Personal Information:

Sex: Male

Nationality: Thai

Date of Birth: January 14th, 1978

Place of Birth: Brooklyn, New York, USA

Contact Information:

Division of Infectious Diseases, Department of Medicine, Faculty of Medicine,

HRH Princess Maha Chakri Sirindhorn Medical Center, Srinakharinwirot University,

Ongkharak, Nakhon Nayok, 26120, Thailand

Email: paul_lin_md@yahoo.com

Education:

2008-2010 Infectious Diseases Fellowship Training, Division of Infectious Diseases,
Department of Medicine, Faculty of Medicine, Ramathibodi Hospital,
Mahidol University, Thailand

2003-2006 Internal Medicine Residency Training, Department of Medicine, Faculty of Medicine,
Ramathibodi Hospital, Mahidol University, Thailand

1994-2000 Faculty of Medicine, Ramathibodi Hospital, Mahidol University, Thailand

Board Certification and Licensure:

2010 Diploma of The Thai Subboard of Infectious Diseases

2006 Diploma of The Thai Board of Internal Medicine

2000 Doctor of Medicine

The Certificate of Medical Licensure: Thailand #25753

Work Experiences:

- 2010-present **Infectious Diseases Specialist and Clinical Instructor in Medicine;**
Division of Infectious Diseases, Department of Medicine, Faculty of Medicine,
HRH Princess Maha Chakri Sirindhorn Medical Center,
Srinakharinwirot University, Nakhon Nayok, Thailand
- 2008-2010 **Infectious Diseases Fellow;**
Division of Infectious Diseases, Department of Medicine, Faculty of Medicine,
Ramathibodi Hospital, Mahidol University, Thailand
- 2006-2008 **Internist and Clinical Instructor in Medicine;**
Department of Medicine, Faculty of Medicine,
HRH Princess Maha Chakri Sirindhorn Medical Center,
Srinakharinwirot University, Nakhon Nayok, Thailand
- 2003-2006 **Internal medicine resident;**
Department of Medicine, Faculty of Medicine,
Ramathibodi Hospital, Mahidol University, Thailand
- 2000-2003 **General practitioner;** Hospitals in rural area of Chiang Mai, Thailand

Other Appointments

- 2015-present **Chief; Infection Control Unit**
HRH Princess Maha Chakri Sirindhorn Medical Center,
Srinakharinwirot University, Nakhon Nayok, Thailand
- 2010-present **Co-Director; Antibiotic Stewardship Program;**
HRH Princess Maha Chakri Sirindhorn Medical Center,
Srinakharinwirot University, Nakhon Nayok, Thailand
- 2011-2013 **Assistant Director;**
HRH Princess Maha Chakri Sirindhorn Medical Center,
Srinakharinwirot University, Nakhon Nayok, Thailand

Honors and Awards:

- 2010 International Young Investigator Travel Award for the research study "An evaluation of the COBAS® TaqMan® MTB Test: a 16s rRNA real-time PCR based system for the diagnosis of cervical tuberculous lymphadenitis" at The 48th Annual Meeting of the Infectious Diseases Society of America, October 21-24, 2010 at Vancouver, BC, Canada.
- 2000 Graduation with First-Class Honors
Faculty of Medicine, Ramathibodi Hospital, Mahidol University, Thailand

1995 Academic Excellence Award from The Professor Dr. Tab Nilanidhi Foundation
(for undergraduate student in academic year 1994)

Research Experiences:

- 2015- Project leader; "The Evaluation of *in vitro* Activity of Sitafloxacin Compared to Other Antibiotics Against Isolates of Some Medically Important Gram Negative Bacteria in HRH Princess Maha Chakri Sirindhorn Medical Center and Samitivej Sukhumvit Hospital" (Funding source: Daiichi Sankyo (Thailand) Ltd)
- 2014-2015 Project leader; "Comparative *in vitro* Activity of Sitafloxacin and Other Antibiotics Against Clinical Isolates of Carbapenem-Resistant *Acinetobacter baumannii* and Carbapenem-Resistant *Pseudomonas aeruginosa* by Disk Diffusion Method"
- 2013 Clinical Research Sub-investigator; "A Multi-Center, Phase IV, Randomized, Controlled, Observer Blind Study to Evaluate the Immunogenicity, Safety, and Tolerability of a Trivalent Subunit Inactivated Influenza Vaccine in Healthy Subjects Aged 50 Years and Above" (Funding source: Novartis Vaccines and Diagnostics)
- 2009-2010 Project leader; "Application of Direct Real-Time PCR for Mycobacterium tuberculosis for Rapid Diagnosis of Tuberculous Cervical Lymphadenitis: A Comparison of Fine Needle Aspiration and Open Biopsy Approaches" (Funding source: Faculty of Medicine, Ramathibodi Hospital)
- 2005-2006 Project leader; "The Acute Effect of "Dried Longan Seeds" Consumption when taken with a High Fat Meal on Total Antioxidant Capacity in Healthy Adults. A Pilot Study."

Publication:

Journal articles

- **Linasmitha P.** Successful management of methicillin-resistant *Staphylococcus aureus* bacteremia unresponsive to Vancomycin by adding fosfomycin: a case report. J Med Assoc Thai. 2012;95(7):960-3.
- **Linasmitha P, Srisangkaew S, Wongsuk T, Bhongmakapat T, Watcharananan SP.** Evaluation of real-time polymerase chain reaction for detection of the 16S ribosomal RNA gene of *Mycobacterium tuberculosis* and the diagnosis of cervical tuberculous lymphadenitis in a country with a high tuberculosis incidence. Clin Infect Dis. 2012;55(3):313-21.

Book chapters (In Thai)

- **Linasmitha P.** "Beta-lactam/beta-lactamase inhibitors (amoxicillin/clavulanate, ampicillin/sulbactam)". In: Phiboonbanakit D *et al*, eds. Essential Antimicrobial Agents 1 - The Infectious Disease Association of Thailand. Bangkok: VJ Printing, 2015: page 245-265.
- **Linasmitha P.** "Emerging infectious disease preparedness". In: Jariyasethpong T *et al*, eds. Dilemmas in Infectious Diseases 2015 - The Infectious Disease Association of Thailand. Bangkok: Treteep Book Process Publishing, 2015: page 108-121. ISBN 9786169162537.
- **Linasmitha P.** "Skin and Soft Tissue Infections". In: Kiertiburanakul S *et al*, eds. Emergency in Internal Medicine - The Royal College of Physicians of Thailand - Volume 1. Bangkok: Holistic Publishing, 2014: page 479-489. ISBN 9789749510599.
- **Linasmitha P.** "Acute fever". In: Phiboonbanakit D *et al*, eds. Case-Based Approach in Infectious Diseases - The Infectious Disease Association of Thailand. Bangkok: Treteep Book Process Publishing, 2014: page 27-46. ISBN 9786169162513.
- **Linasmitha P.** "Fever". In: Treesirichod A *et al*, eds. Common Problems in General Practice 1 - A Diagrammatic Approach. Bangkok: Nophachai Publishing, 2013: page 148-53. ISBN 9786163357045.
- **Linasmitha P.** "Febrile Neutropenia". In: Wattanasirichaigoon S *et al*, eds. Textbook of Emergency Medicine. Samut Prakan: Sintaveekit Printing, 2009: page 605-14. ISBN 9789748182704.

Poster Presentations:

- **Linasmitha P, Siengluecha N.** Comparative *in vitro* Activity of Sitafloxacin and Other Antibiotics Against Clinical Isolates of Carbapenem-Resistant *Acinetobacter baumannii* and Carbapenem-Resistant *Pseudomonas aeruginosa* by Disk Diffusion Method. Poster session presented at: Advancing Science, Improving Care. IDWeek™ 2014; Oct 8-12, 2014; Philadelphia, Pennsylvania, USA.
- **Linasmitha P.** Methicillin-resistant *Staphylococcus aureus* bacteremia that was not responded to vancomycin can be successfully controlled with combination of vancomycin and fosfomycin. Poster session presented at: Advancing Solutions to Evolving Resistance. The 8th International Symposium on Antimicrobial Agents and Resistance; Apr 6-8, 2011; COEX, Seoul, South Korea.
- **Linasmitha P, Srisangkaew S, Wongsuk T, Bhongmakapat T, Watcharananan SP.** An evaluation of the COBAS® TaqMan® MTB Test: a 16s rRNA real-time PCR based system for the diagnosis of cervical tuberculous lymphadenitis. Poster session presented at: The 48th Annual Meeting of the Infectious Diseases Society of America; Oct 21-24, 2010; Vancouver, BC, Canada.

Research-related Training:

- “Researcher Training Program in Biomedical Science” organized by Faculty of Medicine, Chulalongkorn University; October 12-14, 2011.
- “A Training Workshop on Introduction to Health Economic Evaluation” organized by the Health Intervention and Technology Assessment Program (HiTAP); July 9-10, 2012
- “A Training Workshop on Modeling Methods for Health Economic Evaluation” organized by the Health Intervention and Technology Assessment Program (HiTAP); July 11-13, 2012
- “Advanced Medical Research Data Analysis Workshop” organized by Office of Research Development, Phramongkutklo College of Medicine and Hospital; August 20-24, 2012

Professional Memberships:

- Infectious Disease Association of Thailand (member since 2010)
- The Royal College of Physicians of Thailand (member since 2006)

Other

- Webmaster of www.thaiaidssociety.org (since 2012)

November 2015
